

ALWAYS ENTERTAINING ME

[G A D] ← 4 x
La, la, la, la...

G A D
I was walking down by the river
G A D
I was contemplating the sky
G A D
I was thinking about forever
C A
And the sweet old bye and bye
G A D
Then I got the funny feeling
G A D
That it was closer than I thought
G A Bm
That if I took another step closer
C A
I would see the face of God

[G A D] ← 4 x
La, la, la, la...

G A D
And I wondered if I could do it
G A D
And I wondered if I would die
G A D
And I wondered if I told someone
C A
Would they think I was telling a lie

G A D
And I wondered what He would look like
G A D
And I wondered would I be scared
G A Bm
And I think that I wondered a little too long
C A
Cause I looked up and He wasn't there

[G A D] ← 4 x
La, la, la, la...

C G
Oh, Holy River
A D
Carry me away
C G
Bathe me in Your water
A D
On this ordinary day
C G
Open up these blinded eyes
A Bm
So that I can see
C G
The angels that are always
A
Entertaining me

[G A D] ← 4 x SOFTLY, then 8x LOUD, end on G
La, la, la, la...
