

BACK TO YOU

D Bm G A
I have been to Arizona, and I've seen the painted deserts
G A G A
I have been to California, and I've played in the Pacific
D Bm G A
I have been to Minnesota, felt the icy breath of winter
G A D Dsus D
But I can't find my way back to you

G A/G
Back to you
F#m Bm
Back to you
G A D Dsus D
I can't find my way back to you

D Bm G A
Well, I never thought that anything would ever come between us
G A G A
I had promised you I'd always be a man you could believe in
D Bm G A
Guess I never even realized how selfish I could be
G A D Dsus D
And I can't find my way back to you

G A/G
Back to you
F#m Bm
Back to you
G A D Dsus D
I can't find my way back to you

F# Bm
I knew I took a gamble when I showed you my heart
F# Bm
But I knew you'd never know me until you'd seen it all
A F# Bm A G
And I wanted you to love me, not some character I played
G A
And I know it hurt so bad, but I wouldn't have it any other way

D Bm G A
I've been down a thousand highways; I have sailed a thousand seas
 G A G A
I have spent a thousand lifetimes in motel rooms on my knees
 D Bm G A
Now and then I think I feel you on the road beyond my view
 G A D Dsus D
I am almost home; I'm coming back to you

 G A/G
Back to you
 F#m Bm
Back to you
 G A D Dsus D
I am almost home; I'm coming back to you
